### **Celebrate Arbor Day at Historic Linden Grove Cemetery & Arboretum**

Covington, KY – Join us on Saturday, April 27th from 10am to 1pm at Historic Linden Grove Cemetery & Arboretum for Linden Day, our annual celebration of Arbor Day! We will be giving away free tree seedlings to celebrate the beauty and importance of trees in our community. Come plant the seed for a greener future with us.

There will be seedlings of several varieties (with care instructions provided while supplies last), our annual Linden Day tree planting, live acoustic music, and even a split-the-pot giveaway. Attendance is completely free, and all are welcome to join in for the event.

Linden Day is an annual collaborative effort between Historic Linden Grove Cemetery & Arboretum, Bartlett Tree Experts Cincinnati, and the Covington Urban Forestry Board, to promote environmental stewardship and community engagement. The event aims to raise awareness about the importance of trees in our urban environment and inspire individuals to take action to preserve our natural resources in Covington and beyond.

"We are excited to host Linden Day and provide our community with the opportunity to celebrate Arbor Day in a meaningful, accessible way," said Emily Swisher, Chair of the Linden Grove Board of Overseers and Covington resident. "Trees play a crucial role in our ecosystem, and by giving away these tree seedlings, we are helping people not only beautify their own neighborhoods but contributing to a healthier environment for future generations."

The free tree seedlings will be available on a first-come, first-served basis—with two trees designated per attendee—so be sure to arrive early to secure your tree!

For more information about Linden Day and to RSVP for the event, visit Linden Grove's Facebook event at <https://fb.me/e/6vU49jPDC>. Follow us on social media for updates and join the conversation using #ArborDay and #LindenDay.
